I never had the chance to meet you but judging from your son Denny and his son Chris, I know you must have been an amazing woman. RIP sweet lady. ????

Maw you were my "other mother", my mentor and I credit you for any successes that Denny, I or any of my children have ever achieved. It was your love, caring and never-ending support that has always been there over the years. I thank God for allowing me the privilege to have known you for most of my life. You were the model of a Christian Woman, humble, giving and loving. I don't know that I will ever know another who could live up to you. Fly home to your rewards and rest that you so richly deserve...Rest...Sing with the angels...See those who have gone home before you and wait for us who will come when our time comes. Love you and miss you.
