To the family of Cesario Valdez Sandoval, our thoughts and prayers are with you. It's painful to lose a love one in death. However, we can gain comfort from God's word the Bible. John 5:28 Jesus Christ promises in the near future " Do not be amazed at this, for the hour is coming in which all those in the memorial tombs will hear his voice and come out." Yes many of our relatives and friends who have died we will see again, this will truly happen for Titus 1:2 informs us "and is based on a hope of the everlasting life that God, who cannot lie promised long ago." So God cannot lie, so you will see your loved one again soon. May you find comfort during this time of grief through the promises that God provides.
