To the Hutson Family We are truly sorry to hear about the passing of Barbara Hutson. Our thoughts and prayers are with the family. When death arrives, it just seems to put all in a helpless situation. We have lost someone truly special. We have spent many years learning and developing a bond of friendship with that person; then they are gone. Yes what a difficult time period this has proved to be. The sad thing about it, is that it keeps repeating itself. That will soon be come to a stop. That is where the scriptures provide loving comfort. Our Creator tells us that soon He will rid the earth of all sicknesses and death. (Revelation 21:3-4) Then He states that He would use His great power to restore life back to those who have died. (John 5:28-29) Yes the scriptures are clear; this personal guarantee assures us that our loved ones will live again. Why not take the time to read the many accounts that speak about this wonderful arrangement. You will find at least eight accounts that deal with the resurrection blessing. Here is one such example. May we please encourage all to read them. Here is this one such example recorded at Acts 9:36-42. Yes keep this promise of God in mind. Remember that God does not lie. (Titus 1:2)
