So many good things can be said about this man, my Dad. He loved to hunt and fish and taught his kids to do the same. Oh! the memories of sitting on the bank with line and pole catching bream to facing the rough seas in the gulf of Mexico. We have hunted for as long as I can remember. He taught us to eat what you kill and only kill what you need. Dad was a hard worker and bestowed his work ethics upon his kids. We have built everything from three bedroom houses to bird houses.
