To the Branning Family We are sorry to hear about the passing of William Branning. Our thoughts and prayers are with the family. Yes we understand that this is a difficult time for the family. We want you to know that you are never alone. Will be there to provide you with comfort and encouragement. But you must also remember that God will also be there for you. Yes He truly cares for us, especially during this trying time for the family. Since God is the source of all true comfort, all should give a listening eye to what He has to say to us. God is telling the Branning family that soon He would use His great powers to restore life back to our love ones. (John 5:28-29) There are at least eight accounts in the bible that speaks about this grand arrangement. Here is one such example. It is recorded at Acts 9:36-42. May we please encourage the family to read the account. Think about how the verses apply to William as God uses His powers to restore Him back to life. Oh what a grand time period this will prove to be; seeing William along with many other family members who have died coming back to life. So remember this promise from God. God does not lie. (Titus 1:2)
