**Message By A Minister - September 20, 2016** posted:

May the love of family and friends help carry you through your grief. Grief can be so hard, but your special memories of joyful times together as you celebrate a life well lived. How encouraging are the Words from the scriptures. It reads like this. " God will wipe out every tear from their eyes, and death will be no more,neither will mourning nor outcry nor pain be anymore. The former things have passed away." Revelation 21:4
