Dear Cindy, Hoke, and Allison, I am so saddened to hear of your Mother's passing. She was a wonderful lady. The joy and passion she had for music and the enthusiasm she shared with her students had a great effect on me. I enjoyed my many years of studying piano with her and of playing with her in church. Her encouraging nature and generous spirit was a blessing to me and many others. Sincerely, Danyne Connell Sherman

Aunt Sue was always nice to me. She encouraged me through college one time when I really wanted to quit. Her and my uncle told me to "keep my nose to the grid stone." I have always appreciated her words of encouragement and wish I would have been able to spend more time with her. My heart goes out to my cousins for the loss of their mother.
