Betty warmly welcomed me to Hospice of Houston County when I joined the team in 1988 to develop the Grief and Bereavement Program. We discovered family/friend connection from Jonesboro. She was a wonderful nurse who cared deeply for the patient/families that she served. I learned a lot from Betty, but was most blessed by her friendship. She loved her family and enjoyed telling our team about her grandchildren. Thanking God for having her in my life. Praying for each one who loved her
