I just found out today about your loss. I worked with Geraldine at City of Perry and knew her when I went to First Baptist. Just last week I made a recipe of her pecan bread. I got it from her when we worked together. She was a sweet lady. My prayers are with you.

I was just thinking of the entire Graham family. It was fun and certainly a learning experience growing up around you. Your mom was always nice to me, undeserved as I was for it at times. Hold her close in your memories. She will always be there. Peace, Love and Understanding.
