This woman was one of the sweetest, caring, and most compassionate person I've ever known. She will forever hold a special place in my heart as being the mother to my 2 sons, Steven & Brian, that I couldn't be. She loved her family and never closed her front door on anyone who needed a place to lay their head. Her legacy will live on through all who loved her. Rest in sweet peace, Triggy...I love you.

I remember growing up with Mrs. Triggy and her family. She always welcomed me into her home and always tried to feed me. She told me one day that I needed to put some meat on my bones. She always had a smile and concern for everyone. A special lady that will be missed. I am praying for peace and comfort that only comes from God for you all. I love you. Dorothy (Bowers) Brewer.

My Grandma Hill never met a stranger. She opened her heart and welcomed in all she knew. She shared all her love with those she met and made them feel welcomed in her home. She taught me many things through the years, but the most important thing she said to me was "Sometimes you gotta hit your knees gal". Grandma's prayers got me through many struggles in my life and I will miss her all my days on Earth, but I'll see you again Grandma. You were the best and you were loved and cherished by many. Rest in peace Grandma. I love you.
