Annolene, I am so sorry for your loss. Tell Ruth I am also sorry. I've lived in Perry over 33 years and I don't think I ever knew you two were sisters. Prayers for the whole family. I'm playing catchup on the news. Howard has been at the Medical Center since Sunday and I brought some of the papers with me today. He is not in good shape but the other plans are still in progress. I'm glad that's one of the papers I grabbed because I wouldn't want you to think I didn't care.
