PERRY-

Marcus Eugene "Marc" Martin, 45, passed away on Friday, June 12, 2015. Funeral Services will be held on Wednesday, June 17, 2015, at 2:00 p.m. at First Baptist Church of Perry. A Private Interment in the Martin/Meadows Cemetery in Hawkinsville will be held immediately following the service. The family will receive friends on Wednesday, June 17, 2015, from 12:00 noon until 2:00 p.m., preceding the service, in the sanctuary at the church. Friends are also welcome to visit with the family at the Martin home. In lieu of flowers, the family respectfully requests memorial contributions to The House of God Campaign, First Baptist Church of Perry, 1105 Main Street, Perry, GA 31069 or to the donor's favorite charity.

Marc was born and raised in Hawkinsville and was a 1988 Graduate of Hawkinsville High School. He graduated from Georgia Southern University in 1992, and later received a Master's Degree in Business Administration from Georgia Southwestern College and State University. He was a Senior Loan Officer at The Bank of Perry for over 10 years. Marc was an active member of First Baptist Church of Perry where he was a Deacon and a member of the Young Adult Sunday School Department. He was an Awana Commander for several years and served on multiple committees at the church through the years. Marc was very involved in his community as a member of the Kiwanis Club and an active member of Perry Area Chamber of Commerce. He has served in various capacities on several committees with the Chamber and is a recent Past President. While his accomplishments were many, Marc's greatest treasures in this life were his faith in God, his family, and his friends. He was a devout Christian, a loving husband, a devoted father, a wonderful son, brother, and friend. His kindness, gentle nature, and friendly smile will be dearly missed by all who loved and knew him. Marc was preceded in death by his paternal grandparents, Mr. and Mrs. Howard Martin, Jr.; his maternal grandfather, Mr. Willard Thomas Boling, Sr.; his uncle, Willard Boling, Jr.; and his cousins, Lana Meadows, Leah Meadows, and "Boots" Boling, III.

My heart is heavy thinking of the pain that Marc's family and friends must be feeling now. These last few days my thoughts have gone back to many years passed of a sweet little brown-haired boy that rode the school bus with his sisters, me, my sisters, my cousins and many other kids from the Midway community. Once we were grown, I lost touch with Marc and only saw him occasionally out and about. He was still the same sweet young man I remembered and this is how I'll always remember him, with the same sweet smile. Though no words can ease your pain, please know that many are praying for you now and will continue in the days ahead.

To my dearest family, some things I'd like to say...but first of all, to let you know, that I arrived okay.I'm writing this from heaven. Here I dwell with God above.Here, there's no more tears of sadness; here is just eternal love. Please do not be unhappy just because I'm out of sight. Remember that I'm with you every morning, noon and night. That day I had to leave you when my life on earth was through, God picked me up and hugged me and He said, "I welcome you." It's good to have you back again; you were missed while you were gone.As for your dearest family, they'll be here later on.I need you here badly; you're part of my plan.T here's so much that we have to do, to help our mortal man. God gave me a list of things, that he wished for me to do.And foremost on the list, was to watch and care for you.And when you lie in bed at night, the day's chores put to flight.God and I are closest to you....in the middle of the night.When you think of my life on earth, and all those loving yearsbecause you are only human, they are bound to bring you tears.But do not be afraid to cry; it does relieve the pain.Remember there would be no flowers, unless there was some rain.I wish that I could tell you all that God has planned.But if I were to tell you, you wouldn't understand.But one thing is for certain, though my life on earth is o'er.I'm closer to you now, than I ever was before.T here are many rocky roads ahead of you and many hills to climb;but together we can do it by taking one day at a time.It was always my philosophy and I'd like it for you too...that as you give unto the world, the world will give to you.If you can help somebody who's in sorrow and pain,then you can say to God at night....."My day was not in vain."And now I am contented....that my life has been worthwhile, knowing as I passed along the way, I made somebody smile.So if you meet somebody who is sad and feeling low,just lend a hand to pick him up, as on your way you go.When you're walking down the street, and you've got me on your mind;I'm walking in your footsteps only half a step behind.And when it's time for you to go.... from that body to be free,remember you're not going.....you're coming here to me.
