Trish, I am so sorry to hear of Tommy's passing! I know you were always his special little girl! He was always such a sweet person. I remember when they had the donut shop, he brought Travis' first birthday cake because he lived right next to us. Gosh the years sure have flown by. I am praying for you and the family to get through this as easily as possible. If there is anything I can do, please let me know. Love you so much!
