William Joel Sullivan

JAN 25, 1943 - JUN 21, 2014

William Joel Sullivan, 71, passed away on Saturday, June 21, 2014, after a lengthy illness. Funeral Services will be held on Tuesday, June 24, 2014, at 3:00 p.m. at Perry United Methodist Church. Entombment will be in the Freedom Mausoleum at Perry Memorial Gardens immediately following the service. The family will visit with friends on Tuesday, June 24, 2014, from 2:00 until 3:00 p.m., the hour preceding the service, in the sanctuary at Perry United Methodist Church. The family respectfully requests contributions to Alzheimer's Association, 886 Mulberry Street, Macon, GA 31201, to honor Joel's support of this organization that helped his father who suffered from Alzheimer's.

Joel was born in LaGrange, Georgia, to the late William C. "Doug" Sullivan and Lucille Ford Sullivan. Upon graduation from Troup County High School, he passed up a baseball career to join the U.S. Air Force, where he proudly served our country for 4 years. Joel received an Associate's Degree from Middle Georgia College in Criminal Justice, which he put to good use during his 25+ year career in law enforcement. He began working for the Houston County District Attorney's office as an investigator, then later transferred to the Warner Robins Police Department as a patrolman and eventually a detective. Joel joined the Middle Georgia Fugitive Squad for a few years and ended his career on the DEA Federal Task Force. Through the years, he enjoyed giving closure to many family members involved with cases on which he worked. Although he was active in enforcing the law by detaining many individuals during his career, he always believed in giving people a second chance. Joel enjoyed hunting and taught both of his sons how to hunt, hunter safety, and gun safety at an early age. He coached little league baseball when his sons were young, and always enjoyed spending time with his family.

Left to cherish the memories of Joel are his loving wife of 41 years, Carolyn Vance Sullivan of Perry; his two sons, Chris Sullivan (Krissie) of Roswell, and Chad Sullivan (Sarah Dickerson) of Perry; his sister, Shirley Sullivan Collins (David) of Klondike; five grandchildren; two nieces; and two nephews.

Dearest Carolyn, from time to time, I dig around a little on the internet to check up on people from my past. Today's search led me to Ed Lukemire, which led me to you and then to Joel. I can't believe how crushed I feel (since it has been so many years since I have seen either of you) to hear of Joel's passing. I have many fond memories of times spent with the two of you, and regrets (that are magnified today) as to how I let the years separate us. I can't keep back the tears and am so,so sorry for your loss.Lynn Bundrick Johns (former URESA clerk in DA's office under Steve Pace and Theron Finlayson)

Chris,Chad,Shirley and Carolyn: For all of us that grew up in Warner Robins, we all lost a little bit of ourselves with Joel's passing. I knew grandpa Sullivan very well and was a little league all star with Joel. He was the fiercest competitor I knew growing up. At twelve years old he was chasing an adult umpire who had called him out. He lived about four doors down across the street. He would come up to my house to play on our swing set. He made a competition out of everything. Even jumping out of a swing backward. At Westside, he and I competed to jump out of a swing backward. Winner got a kiss from fellow 4th grader Teresa Rosenblum. All I got was two broken arms and lost two front teeth. He and I never had a cross word and he was a friend who could always be counted on. Man!! He could play baseball!!! My and Judy's prayers go out to you all.

Lt. Joel Sullivan was a mentor,co-worker,father figure, and a true man-mans type person. Over the years while working in law enforcement with Joel, I learned alot about law enforcement. Joel had a story for most any situation which made me understand better.The high point in my life while working at WRPD was when I was appointed to our newly formed SWAT squad. Joel was the leader but he ran the team like we all were the boss. No man was never too small to have some imput into our team. With Joel's experience, we created a pretty good SWAT team.We even competed against Bibb County Sheriff's Office SWAT Team.I can go on and on but in closing, My prayers are with the Sullivan family. I know Joel will be truly missed by everyone. All of my thoughts about joel are very happy ones. God Bless Joel and his whole Family..Abbey
