David, Jason, Amy and Family, I want all of you to know how much we love all of you. I lost my BEST friend and the sister I never had. We had such wonderful times together and we shall always treasure our memories that we shared. Peaches was a caring, loving, kind and generous woman. I will never forget when the two of us drove to Macon to Christmas shop and coming home through Byron, there was a fire on 75 and we could not see our hand in front of our faces and David, I think you know the rest. Bebe always had me drive on the interstate, as she refused to do so. Our conversations were long, silly and full of laughter and joy. We always ended our conversations with I LOVE YOU. Bebe I will miss you every day and know how much we loved you and David. We will see you in Heaven. We know your are our special angel and that you are at peace. Ww will always love you Sis.
