Sorry to hear about the lose of Tammie, me, Patsy (Gainey) Shelton, my girls, Pam & Sheila, Merton Gainey & Sadie Gainey, always had such a good time coming to your place during the 1960's in Perry GA from Bennettsville SC. I was so sorry to hear about Tamea's passing. I worked at the Museum with Tamea, she was always a fighter no matter what life through at her, she made it through. I always enjoyed our conversations, she was so down to Earth. She may not have followed her own advice, but she always had options. She will be missed.

Living life by feeling every emotion to it's fullest definition. Through this you gained wisdom, passion, laughter, sorrow, joy, compassion, and developed an unconditional love for all of us who yearned to be loved by you. Now an angel, you have wings we will feel wrapping around us in times of sorrow. As an angel, we will hear your angelic voice singing amongst us in times of rejoice. You are loved by us all. Music always brings you back to me. I love my "Favorite Aunt Tamea". Stacie Lynn

To the family: I hated to hear about Tami. We have enjoyed so many times together. I feel I have lost a special friend. I don't think I could have ever found another person to go "teakin" with that enjoyed it as much or more than I did. We both would get so excited just looking forthat "treasure" around the next corner. My thoughts are with you during this sad time.

I am so sorry to hear of Tami's passing. I only knew her through my brother, Dewayne, but we really enjoyed the times she'd visit and eat with us at my mother's house. I pray that God will comfort each of you during this sad time and the days ahead.
