Belinda, your sisters & families, I am so sorry for you all during this sad time but I know you are rejoicing knowing that your precious Mama is resting now in Jesus' arms & she is reunited with the love of her life, your sweet Daddy!! loved Mellonese, we had some great times together at Kellwood & then again when we all met once a year at the reunion. She never changed, we were always so excited to see one another. We always seem to meet up in the grocery store & would just pull our carts to a corner & usually chat for over an hour. I loved to hear her laugh (she always said I was a crazy little girl & I agreed with her!). I remember how much it meant to me when she came to my Daddy's visitation almost 6 yrs ago & I still have the beautiful card she sent me during that time. She was very special to me, I am just sad that we didn't stay as close as we once were. But I will definitely see her again one day in Heaven & then we will catch up on our chats & hugs for eternity. Please know that I am praying for you all and hope the ton of sweet memories with your parents will help to ease your pain in the coming days. Love & Hugs. 🙏❤️🙏
