PERRY –

Mendy Joiner, 56, passed away unexpectedly on Wednesday, October 28, 2020, after a brief illness. Private Graveside Services will be held next week, and the family will contact those to be in attendance. In lieu of flowers, the family respectfully requests donations to be made to Watson-Hunt Funeral Home, P. O. Box 52, Perry, GA 31069, to help with the funeral expenses.

Mendy was born the oldest of four children to the late Walter Dennis Joiner and the late Mary Ann Bivins Thompson. She enjoyed working in the insurance industry, as she did for many years as an Insurance Adjuster for Geico. She spent the last year of her career with AFLAC as a Benefits Specialist. She was a kind and loving lady who thoroughly enjoyed spending time with her children and grandchildren whom she adored. She savored moments spent at the beach where she felt such peace. Mendy loved many and was loved by so many. She will be dearly missed.

Survivors include her daughter, Caroline Miller of Perry, Georgia; her son, Christopher Miller of Perry, Florida; her grandchildren, Gavin, Crosby, and Claire; her sisters, Lisa Price (George) of Oklahoma, Kaykay Joiner Maddox and Kendale Joiner Wilson (Brian), both of Perry; several nieces and nephews; her Aunt Earlene Chapman (Tim) of Byron; several other aunts and uncles; her cousin, Phillis Ballew of Ft. Valley; and many other cousins.

Condolences for the family may be left in the online guestbook at www.watsonhunt.com. Watson-Hunt Funeral Home has been entrusted with the arrangements.

I met Mendy 31 years ago in Florida and we became fast friends. Mendy was intelligent, beautiful, kind and good. She was a loyal human being, even when taken for granted, she was a true lady. Mendy was my best friend and I love her. Although Mendy was tall, she was never very big, but I leaned on her and she leaned on me. Mendy loved listening to Carlos Santana, she loved tulips and the beach. After moving from Florida we stayed in contact with each other and often had coffee together over the phone. She kept me updated on her children, Caroline and Christopher. Mendy was a good mother and had so much grace as a parent and grandparent. She was such a precious and gentle person, she just loved her grandbabies and shared numerous stories about them. She spoke with so much love and pride of her family there in Georgia. I can remember her talking about an Aunt Earline. Her sister KayKay, her cousin Phyllis and numerous other family members. She loved you all very much. She often talked about Gavin, Claire, Kat, and Caroline and always had something positive to say about the people in her life. Mendy was tall and she was small, but she made a big impact on my life. I consider it a privilege to have known her and to call her my friend. I am lost without her. Mendy, I was waiting for you. I had a beach bag packed for you. I had picked up so many things to give you and now you're gone. We were going to travel and beach hop together and now you've gone on without me. Just like at the beach, we were tie-dyed and free, we were peace, love, and "chewing gum." Now you are at peace and you will forever be loved my dear and true friend. I love you Mendy. Candy
