Jeremie, Jason, and Miste, I am so sorry for your loss. It saddens me that Uncle Norris' health deteriorated, but I will always treasure the memories of this man that appeared Larger than Life in stature and personality. He could be quite the entertainer without even trying. Grateful for the years you had with him and praying that you are resting in God's abiding love and peace. Love, Angela and Wes Conner

Norris, my buddy... wow the fun times and many laughs we shared at the Haynesville & Hartley Field ballfields many, many years ago! You were always laughing and cutting up every time I saw you and we always had a lot of fun with our fellow teammates. Rest In Peace my friend and save a place for me on the bleachers in the big ball field in Heaven.
