**M**ACON – Timothy Andrew “Timmy” Barrett, 49, passed away unexpectedly on Wednesday, March 10, 2021. A private service to celebrate his life will be held. In lieu of flowers, the family respectfully requests memorial contributions to The Music Camp at Otis Redding Foundation, 339 Cotton Avenue, Macon, GA 31201.

A lifelong resident of Macon, Timmy was born to the late Daniel and Anne Ethridge Barrett. He was raised in the Holy Spirit Catholic Church where his parents were founding members. Timmy graduated from Mt. de Sales Academy and attended Georgia College. He was the lead singer for New Found Daze, a band that became popular and played all over the Southeast during the 1990’s. After NFD, Timmy enjoyed writing songs and sharing them with various musicians as well as his friends. He loved Downtown Macon and lived life “wide open.” He was very charismatic and charming and was loved by everyone with whom he came in contact.

Timmy is survived by his friends and family. He was preceded in death by his parents.

Messages for the family may be left in the online guestbook at [www.watsonhunt.com](http://www.watsonhunt.com). Watson-Hunt Funeral Home in Perry has been entrusted with the arrangements.

It was him that got me to try an customize my truck the we could with no budget. Gonna miss his ideas thoughts an just positive attitude bout things and life even with the cards that he played. He will be missed by me and I'm sure by many many more. Guess that ride we always talked about will have to wait till I catch up with you. Forever brothers from another

To my brother and compadre. Oh man, the great times we had together. Always ready to live life for the moment. You were always great at bringing out the best in others and being inclusive. Stranger was not in your vocabulary and lines were for you to erase and redraw. I still remember the days on Darden when you and the band(New Found Daze) Jeff, Bill, and Byron were crafting ideas into catchy songs. You were meant to be the front man with charisma, charm, and leadership skills. You never needed an excuse to have a good time and wanted everyone to enjoy themselves right along. I relish the friendship we had and am glad I had the pleasure to know you as a friend and brother. You lived the life you were given with no restrictions. You were compassionate, kind, and good spirited. I miss your smile and friendship. Say hello to heaven and be sure to save me a spot. Love you brother.

Loved my brother came as such a shock to hear that he passed. I remember when he was a Pledge in Phi Delta Theta and we made him a brother. Great guy, although it has been nearly 30 years since I talked to him in person we did talk alot about finding Jesus and being saved on Facebook. You will be missed and you are with my other brothers in Heaven Timmy may you finally have the peace that you sought. Brother in the Bond.

I don't even know where to begin. Timmy was one of my best friends for so long. He loved unconditionally and with such a tender heart. He was fun, loyal, compassionate and forgiving. To say that he was funny is such an understatement. I cannot describe the amount of laughing we did. The last time we saw each other, I turned around, we caught eyes and starting laughing. We were back to being 17 years old again and the best of friends. He was such a good guy. Loved his family. He could hang with the best of them but Sunday was Mass and Shoney's breakfast bar. Too many memories. I will see you again friend. I hope you have the peace that you deserve. You hated when I told you how gorgeous you were but you were inside and out. I won't forget you okay! I promise. I love you. Thank you for being my friend.

When I heard the shocking news on Wednesday of Timmy's passing, I was immediately transported back to those simple days back at our band house in Macon. I had the absolute pleasure of playing bass in New Found Daze on stage right with Timmy on my my left side every night. I was always amazed when I looked to my left during a show at how he worked a room. He simply had no fear. He was a natural entertainer. By the end of the first song, he'd have everyone in the palm of his hands. Everyone who knew Timmy, loved Timmy. He had this genuine way with how he interacted with people. He was such a sweet soul. I will miss and cherish those memories at that time in my life when Timmy and I were so very close. I'll see you on the other side brother.

It has been a very long while since I last saw Timmy. When I heard about his passing, all of the times we played music together in NFD came flooding back. All of those memories are Good Times. Safe journey Timmy. "Your light's reflected now, reflected from afar We were but stones, your light made us stars" Pearl Jam

Prayers for peace! It's been about a year since I got to talk to you. Your heart has always remained the same. You always loved big! You seemed happiest when you were making other happy or making them laugh. So many fun memories!! You always cared and wanted to know how everyone else was doing. And I'm so thankful for some of the talks we were able to have over the last few years. Life can be hard and we've all made decisions we wish we didn't. You carried those burdens more than most! You were loved my friend!!
