Sorry to hear about Steve's passing. He and my father (Steve Gunderson) were good friends for many years. I really appreciated his support when dad passed and all the good memories we had with him growing up. Hope he and my dad are gone fishing in paradise now. Much love from Cody Gunderson.

Ohhh the memories back in the day at Elko. Running those mud trucks through the track, they break, and fix 'em right there. We were just kids at the time. I remember going out to Kovac Rd. to y'all's house and dad helping to get those trucks running for Saturday night!!!!!! But, those memories will last a lifetime.
