So sorry to hear of Cilla's passing, But she's passing from this earthly life to her Heavenly home, where she will see the Lord Jesus, and those loved one who've gone on before. She was a kind, caring, and gentle person, who loved her family, and others, and she loved the Lord. I will miss the daily Bible Scripture devotionals she sent out so faithfully for many years. Please accept my most sincere condolences. Ricky Henson

Prayers and condolences for the loss of your sweet mama. Cilla was the kindest most sincere person I've ever met. Cilla loved with all of her heart! She loved our Lord and Savior deeply and always cared more for the people around her, even when she was not well, she was always concerned on how you were doing and would put her pains and worries aside. Cilla was such a special friend to our family! Ann and Cilla grew up and went to school together. Through all the years, she and Ann remained friends and stayed in touch. They would have their day trips, going out to eat, shopping, calling each other, going to class reunions together and just being wonderful friends. Ann especially is missing Cilla tremendously, but also knows she will see her again, that earth is only temporary! Rochelle, Cilla told me on more than one occasion how you were such a God send for her and Lamar. She truly loves you as her own child! Our hearts are saddened by our loss, but we rejoice that Cilla is now at her forever home with our precious Lord. God bless you and keep you! We love y'all so much! 💜

As children growing up and when We visited Papa and Grandmama's and Cilla in Macon, She played a game with Me, while She sat in Daddy's lap. She would say "He's my Daddy".All the while smiling , until I would climb up in Our Daddy's lap and I would say back to Her "No He is My Daddy."As years passed and I got older, I came to understand Our fun little game. On the last conversation She told Me that She was glad We were Sisters and We both agreed that We would see each Other again. Now Cilla has both Our earthly Father and Our Heavenly Father 's lap to sit in... She has won the game but I will Yes, They are My Daddy too.Praying for You Lamar and Christy as the Holy Spirit put His arms around You today and the days to come until You see Your Precious Mother again. 🙏🙏🙏
