So many memories of Don when we were on Charles Ave. We played ball around the circle, rode bikes. We would visit the elderly that lived around the circle. The big thing was on Saturday to go to Warner Robins to Miller Hills Shopping Center and have lunch. Haven't seen Don since my mom passed, but often thought of him and wondered where he was and what was going on in his life. My prayers go out to Jean and all the family. Love ya'll.
