I am so sorry. I cannot tender to any of you whom knew and loved Brandy the overwhelming feeling of tragic loss we all must share. So, I really won't attempt to. Because I am for certain that there are no words anyway which could truly nor rightfully convey all of your heartache. Not even mine. I believe that saying too much more than this would only seek to rob you of the tremendous grief I know is you all have. But my heart breaks with all of your broken hearts. Although it has been years since I last saw or spoke to Brandy, she will still be missed sincerely. She was loved. I've no doubt that this world is less than it was with her here. My heart, thoughts, and prayers are with all of her family. May the Lord strengthen and comfort you however He can at this time. God bless you all.
