# **GEOFFREY MARK STONER**

APR 25, 1958 - JUL 18, 2022

**G**eoffrey Mark Stoner, 64, passed away on Monday, July 18, 2022, after an extended illness. A private Memorial Service will be held for the family. In lieu of flowers, the family kindly requests a contribution to the donor's favorite charity.

Geoffrey was born in Chicago Heights, Illinois, to George and Betty Stoner. He graduated from Brush High School in South Euclid, Ohio. After high school, he furthered his education at Columbia University and Bryn Mawr University. He used his degrees to help others, his last employment being with Carrier Psychiatric Hospital in New Jersey. Throughout his life, Geoff enjoyed time with his family, especially at Christmas time. He also was very close with his twin nieces, Emily and Hannah, who fondly referred to him as "Crazy Uncle Geoff." In his free time, he enjoyed playing poker and spending time with his neighbors in Macon.

Geoff was preceded in death by his father, George H. Stoner.

Left to cherish the memories they made with Geoff are his loving mother, Betty Stoner of Macon; his sister, Candy Purvis (Charles) of Temecula, California; and his nieces, Emily Townsend and Hannah Townsend, of Los Angeles, California.

Condolences for the family may be left in the online guestbook at [www.watsonhunt.com](http://www.watsonhunt.com). Watson-Hunt Funeral Home has been entrusted with the arrangements.

Geoff and I worked together about 20 plus years ago at Carrier Clinic in the Admissions department on the 3pm-11pm shift. Seems like an eternity ago now! To say he made working there an absolute HOOT would be putting in mildly. I've been in corporate America now for a long time and have often thought of those crazy days at Carrier particularly working alongside him. The work we did was hard but Geoff (G-off as we liked to call him) made us crack up and have fun. When I think of a strong and fun team environment I think of those days working with Geoff. Gone but not forgotten my friend. Your presence here on earth made an impression and I'll remember you always. RIP buddy! You were one of the great ones ❤️❤️

Geoff, you were "most satisfactory." I'll really miss you. You were a wonderful boss and friend. We had so many laughs in our nights in Access and I will really miss our group text chats with the humor few others would appreciate. Rest In Peace ❤️

To the Family of Geoff Stoner, On behalf of Geoff's former colleague's at Carrier Clinic, we are just finding out of his passing and we are all truly saddened by the news. Geoff was such a great guy and we are all going to miss him greatly. He always managed to make a difficult job fun and fulfilling. We loved him dearly!! Many blessings and prayer to the family and his many friends. We had our Annual Brunch at Marilyn's house on 8/13/22 and everyone wanted to hear your voice but we got your voicemail and your mailbox was full. It was at that moment that we knew something was wrong. 'Geoff we are going to miss so much' The Former Carrier Clinic Admissions Crew'

I'm so sorry to hear Geoff has passed. I am glad he is no longer suffering. I will miss his texts - we liked sharing inappropriately foul language memes and cat memes as well. I hope he was reunited with his beloved Ebony. RIP my dear cousin. My condolences to Aunt Betty, Candy, Hannah and Emily.
