Zadie I know you are glad to be with Joe again. We had lots of crazy stories when working with Dr. V, but the one that I will remember the most included Joe. I will always remember the day Joe showed up at lunch and offered to take you, Emily and me to lunch. Of course we took the offer up. You were driving with Joe riding shotgun and me and Emily in the back seat. Everything was jiffy until you pulled out into Russell and several bags of pecans came out from under the seat. Emily asked what you were going to do with them and you said send them to your kids. Bless Joe's heart he had to have a little hissy fit. Emily and I both said if we had not been on Russell Pkwy. we both would have jumped out and ran back to the office. Hugs to you and Joe.
