So sorry to hear this! Enjoyed her all of my life. Will miss all of the laughs on the front porch at mamas. I remember a couple of years ago you were upset that your watch had broke, I went straight out and bought you one like you had described. I did not give it to you as I had mama do it cause I know you would have told me not to do that. It was my pleasure. Her and Mr. Davis have been like family to my family since before I was born. They have seen this family through many journeys, Mrs. Davis is on her greatest journey now. Rest in heaven, we love you!
