Henry was full of personality and almost always left you smiling. We were fortunate to spend the last month or so with him while he was recovering from surgery here in Lawrenceville. I guess the good Lord set that time aside for Debbie, Keith, Nolan and I to say our goodbyes to him unknowingly so. I couldn't have asked for a better father-in-law. I will miss him and remember the times we shared.

I grew up with Debbie. Mr. Henry was the most thoughtful man, kind and sweet. I enjoyed my time at the Albritton's house. You knew you were always welcomed. Rest in peace Mr. Henry

The kids of Lake Joy Rd would come congregate at the Albritton house. We were all welcome there. Mr. Henry gave me my first summertime job and I worked with him for 2 summers. Always telling me stories on our way home. Would call me "Ding" (short for Ding a ling). Will be greatly missed.

Mr. Henry was a dad to all the friends of his kids. For those of us who had the pleasure of being one of the kids, he kept us on the straight and narrow. While we all knew he was there for us. We also knew he would not hesitate to correct us if we were in the wrong. He loved to help sell other people's cars and most of the time there was a vehicle sitting on his lawn for sale. Always willing to help others in need and never forgot a face. He will be missed by many.
