HOLLEY TURNER MURDOCK

DEC 10, 2024

KENNESAW – Holley Turner Murdock, of Kennesaw Georgia, passed away peacefully in her home on December 10, 2024, surrounded by her loved ones. A Celebration of Life Service will be held on Saturday, December 14, 2024, at Georgia Funeral Care, 4671 South Main Street, Acworth, GA 30101. Visitation will be held from 1:00 until 2:00 p.m., and the Life Celebration will begin at 2:00 p.m. An interment service for the family will be in Marshallville Cemetery where she will be laid to rest beside her father, R.P. Turner, in Marshallville, Georgia. In lieu of flowers, the family respectfully requests donations be made to the Southeastern Brain Tumor Foundation (SBTF.org), 5400 Glenridge Drive NE, #422471, Atlanta, GA 30342, in memory of Holley Turner Murdock.

A native of Marshallville, Georgia, Mrs. Murdock attended the Westfield School in Perry, Georgia, and graduated from the University of Georgia, earning a Bachelor of Fine Arts degree. Mrs. Murdock went on to attend the Johns Hopkins University School of Nursing, graduating with a bachelor's degree in nursing. Mrs. Murdock's nursing career spanned over 20 years in the neuro-intensive care field. Additionally, Mrs. Murdock earned her certification as an Emergency Medical Technician and Paramedic and served as a Flight Nurse, participating in world-wide aero-medical evacuations and transport of critically ill or wounded patients. A servant leader, she took great pride in her role as a nurse preceptor, sharing her vast knowledge of critical care nursing with new nurses and nursing students. Diagnosed with a brain tumor in 2000, Mrs. Murdock continued to work in challenging health career environments for many years after.

Mrs. Murdock faced her lengthy cancer battle with dignity, grace, and courage, believing that her own experience and example might give hope and encouragement to others facing such a devastating diagnosis.

Holley and I loved sharing stories about her fur babies and my god babies. We also loved to rib each other when UGA and UT played football, although she won most of the time since UT rarely wins. Holley was so smart, funny, kind, and an inspiration to all who knew her, especially her friend and "cousin" in Nashville.

I'm so sorry to hear of Holly's passing. I will always remember her. She was one of the first Seniors I photographed after moving to Perry. It was quite an adventure—chasing the peacocks, wading through the Japanese setting, and having to push start my truck at Camellia Gardens! She will hold a special place in my heart and memories. Rest in peace sweet friend. My prayers are with your family.

I am so sorry to hear about Holley's passing. She was so lovely! I enjoyed visiting with her at Wilbur Rumph's funeral. It's just wrong for a beautiful, productive young woman like Holley to suffer as she did and to lose her battle against cancer. It creates a vacuum in the lives of those who loved her. Trying to find any positive note here, her life was a blessing to Susan, Peyton, Tom, and Shelley, and her many friends who will be so lost without her. I wish I had known Holley better. I send love to all the family.
