Mrs. Mosteller was born in Terrell County and began teaching at the age of 18. Soon after, she moved to Perry and began teaching at Perry Grammar School. She earned a Bachelor's degree in Education from Georgia College and a Master's Degree from Georgia Southwestern College. At times in her early years of education, Mrs. Mosteller taught Kindergarten in her back yard, and eventually worked with the Houston County Board of Education for 30 years teaching mostly Second Grade. Mrs. Mosteller maintained close relationships with many of her former students, even mentoring many of them who chose to pursue a career in the education field. She was an active member of First Baptist Church of Perry since 1946, having taught 4-year-olds Sunday School for many years, RA's each week – teaching children to support and pray for missionaries, and Vacation Bible School during the summers. She was a member of the Willing Workers Sunday School Class later in life. She was preceded in death by her parents, William and Anna Rebecca Chambless Goode; her beloved husband of 56 years, Luther Mosteller; her sister, Dorothy Willingham; and her brother, Vasser Goode. “ Mrs. Mosteller was my teacher at Joyland Kindergarten and second grade at Perry Elementary. She was a kind-hearted person who loved teaching young minds. I have many fond memories of my childhood thanks to her. One day in second grade she let me leave class to walk my dog Precious back home to Cater Avenue. She will be missed.

“ I didn't know your mother, but I knew her name because she and my mother, Nelle Hill Sullivan were good friends in college. We lost her 11 years ago. I'm sure you have some really good memories of your mother. I encourage you to hold onto those and know that many people are praying for you.

“ Mrs. Mosteller was my Kindergarten Teacher (1960) and my big brother, Bill's Kindergarten teacher. I loved going to Joyland. I could hardly wait each morning when Charlie Bell would walk me. We had so much fun with Mrs. Mosteller playing, dancing and learning manners, pledge of allegience, remembering to say "yes mam" and "no sir" and "please" and "thank you," We sang songs and played "hide & seek." We learned how to count, how to sit correctly in a chair, how to raise our hands to say something or ask a question, and we learned the ABC's. I never wanted to leave but had to at 2:00 pm or so. Mrs. Mosteller was always full of love and warmth.

“ Although we all suffer a loss, we also celebrate a life well-lived. Saying you believe something is one thing. Living it takes commitment. Mrs. Mosteller was fully committed. Through the years she proved that time and again. "Special" only begins to describe her Christian manner.

“ Miss Mosteller taught me second grade at Perry Elementary and I attended First Baptist Church with her for many years. I even attended Joyland Kindergarten in her backyard. She had such a positive influence on my life. She always went out of her way to encourage me even to the point of mailing me newspaper clippings with handwritten notes of encouragement when I changed careers and started teaching school. She was one of the finest people I have ever known.
