BLAKE ROSEBOOM

FT. VALLEY – Blake Derrick Roseboom, 39, passed away unexpectedly on Sunday, December 27, 2020. Services are private. He was born in Tahlequah, Oklahoma, and had lived in four states throughout his life including Oklahoma, Ohio, New Hampshire, and Georgia. Blake was an excellent stonemason having worked with granite, particularly countertop production and installation, for over twelve years. He had worked with Marble Masters for over a year. Blake loved metal music, mosh pits, and concerts. He had tons of friends and had met many of them when he auditioned for a metal band in 2003. Many people loved Blake, and he loved them. He was a generous man, and would give anyone who asked the shirt off his back.

Survivors include his loving and supportive father, Pete Roseboom of Ft. Valley; his brother and sister-in-law, Louis Roseboom and Vanessa Shipp of Moore, Oklahoma; his daughter, Allison Jade Roseboom of Phoenix, Arizona; two nephews; and a niece. He was preceded in death by his mother, Pamela Scott Roseboom.

“ *Took me a little while to pin point a memory because we shared so many over the years! One fun memory was a whole weekend that we drove down to Dallas for ozzfest with 3 strangers in the car with us that ended up becoming out really good friends. The funniest part of the trip is that they forgot to tell you they had sunblock so by the end of the show you had the best forehead sunburn line! You had such a goodness in your heart and all the random adventures we went on will never be topped! I love you man! You were more than just my friend, you were family! You will be missed by us all! 🙌*

“ While Pete drove over the road, Mom cared for Blake and Louis when they were younger. At Mom's funeral in March Blake wept for his grandmother, his tears declaring his love of our beloved mother and grandmother. Our tears are now for you, Blake. May you rest in His heavenly arms and be comforted.

“ Blake was so full of fun and life! He was always up for an adventure and a laugh. We went to several concerts together and used to go swimming at Tar Hollow. He had a great sense of humor. One night Blake tied a jumbo stuffed lobster to the top of his car and drove us around with it just for a laugh. He was such a loving friend. Even though he moved around he'd be sure to reconnect when he was back in town. He will be greatly missed. RIP friend. This photo is one of the last times I saw him.

“ Me and Blake
We were all at 813 when baby Blake had a terrible cold...coughing and crying incessantly.
I went upstairs to seek a little peace.
Somehow he ended up in my lap in a rocking chair.
As I rocked and comforted him to sleep I fell in love with that precious little fellow.
I still love you Blake.

“ I will always remember his smile and how his eyes lit up when he did. Such a sweet soul even with his demons. You will be missed and always loved.

“ When we were kids and came to OK on vacation, your mom, Aunt Pam, was the one adult who would always take us to the park. She was amazing when it came to thinking about us kids and what would be fun for us. You were a sweet and kind little boy and we loved coming to visit. As we got older, I remember one night having all the cousins sleep on the floor in Pete & Peggy’s living room. I have no idea who planned that one, but we had a lot of fun. I am sorry we didn’t stay in touch as adults. You will be missed Blake. We love you.
