“ Susan, Jeff and Craig...I am so sorry to hear of your dad's passing. As I read his obituary, I could see so many of our dads -- and moms, too -- building our school not just with their hands, but with their hearts. You all are in my thoughts and prayers....

“ Charles was always a close family friend. I grew up with his kids and we all attended the same school and lived only a block away. After the passing of my dad, we couldn't have asked for a better addition to our family than Charles when he married my mom. They truly loved each other and I was very thankful for mom to be so happy. I will miss him and be forever grateful for his friendship and his undying love for my mom.
