“ Jeanne was a very special lady, emphasis on special and emphasis on lady. Although I knew her primarily as an adult, the Lasseter family shared so many stories which made me feel it was much earlier. Al is just about 10 years younger, and I think he had a big crush on her when she was a teenager. You, Bill and Claire, were blessed to have Jeanne and Billy as your parents, and so many of us were blessed to have had them as friends. Our prayers are for God to send you comfort and peace.

“ Mrs. Bledsoe was my 6th grade teacher in 1956. She taught me well and prepared me for the next stages of life. Her class was fun! I remember she went to my reunion—class of '62 — one year!

Her husband was a Little League coach and I appreciated his time, energy and expertise that he gave us. There was not a finer couple in Perry!

Good memories of them both will follow me the rest of my life. To their kids—You were blessed to have been raised by this wonderful duo.

“ Claire, Bill, and families, We both love her. Once I was grown, I called her Jeanne. From that point on, she was my dear friend. I couldn't believe I'd called her Jeanne! She was well thought of as a teacher, church member, and anything she attempted. A great loss for a lot of people.
